## SENIOR CHEMIST & METHOD DEVELOPMENT LEADER

Riverside, CA

Date Posted: January 2018

Babcock Labs is seeking a Senior Chemist & Method Development Leader who will play an integral role in the laboratory's expansion into new and exciting markets.

### The Right Fit

If the following statements describe you, keep reading about this opportunity to join our team:

- ☒ I am passionate about finding out why things work the way they do.
- ☒ I am results-oriented and have a proven track record of problem solving.
- ☒ I enjoy both method development and performing analyses.
- ☒ I endeavor to always do the right thing.

### The Ideal Candidate

- ☒ **Is proficient in analytical chemistry**
- ☒ **Is knowledgeable of sample preparation techniques for instrument analysis**
- ☒ **Has experience in single and tandem quadrupole mass spectroscopy (MS, MS/MS)**
- ☒ **Has demonstrated experience in method development**
- ☒ **Has strong troubleshooting skills for analytical challenges**

In addition to pay and [benefits](#), Babcock Labs is an employee-owned company and employee owners are rewarded for long and loyal service to the Company through stock ownership opportunities. [Learn more.](#)

### Duties and Responsibilities

- Perform analytical chemistry involving gas and high performance liquid chromatography (GC, HPLC)
- Prepare samples (including plant and processed food product samples) for instrument analysis using techniques such as QuEChERS, Supercritical Fluid extraction, solid phase cleanup, and sample concentration
- Perform research and method development for the aforementioned sample types
- Troubleshoot analytical challenges including sample matrix interference, instrument malfunction, and quality control failures
- Adhere to all company policies and procedures

### Requirements

- Chemistry, Biology, or other related science degree (BA or BS) required
- At least two years of analytical laboratory or equivalent experience required
- Computer literacy required (Word, Publisher, Excel, Outlook, etc.)
- Proven track record of successful method development required

Rate Contingent on Experience

### About Us

Babcock Laboratories has been safeguarding public health and the environment through expert analytical testing services for over 110 years. We are a 100% employee-owned company that values integrity, respect, knowledge, equity, accountability, communication, and camaraderie. How will *you* contribute to our legacy?

### To Apply

Send the following to [hr@babcocklabs.com](mailto:hr@babcocklabs.com):

- Resume
